**DECISION OF THE COMMISSAIRES PANEL
STAGE TWO – SCENIC GORGE TIME TRIAL**

Organizer: Chad Sperry - Breakaway Promotions, LLC

General Notice: At the Scenic Gorge Time Trial Stage Two, numerous complaints were received from course residents that riders warming up were obstructing by riding several abreast at a slow pace. Please be considerate to the locals. Mount Hood Cycling Classic can use these courses only with their permission. Take care to ride single file when warming up on local roads when motorized traffic is present. Don't stand in the roadway and chat before, during, or after your race. These roads are open to traffic. Slower "vehicles" are to move to the right and permit traffic to pass. Thanks for your assistance.
